Description

Accenture Recruitment 2024

Accenture, a global professional services company with leading capabilities in digital, cloud, and security, is seeking a passionate and skilled Application Developer to join our team. As an Application Developer, you will play a key role in designing, developing, and maintaining high-quality, scalable, and secure software applications. You will be responsible for analyzing user requirements, translating them into technical specifications, and writing clean, maintainable code. You will also be involved in testing, debugging, and deploying applications.
