Key Responsibilities

- Respond to customer inquiries via phone, email, and chat in a professional and courteous manner
- Accurately diagnose and troubleshoot technical problems related to mobile services, broadband, and other Airtel products
- Provide clear and concise explanations to customers, ensuring they understand the resolution
- Research and escalate complex issues to the appropriate team when necessary
- Maintain accurate records of customer interactions and update account information
- Adhere to company policies and procedures while prioritizing customer satisfaction
- Identify and report trends in customer inquiries to improve service delivery

Required Skills and Qualifications

- Excellent communication and interpersonal skills
- Strong problem-solving and analytical abilities
- Ability to work independently and as part of a team
- Proficient in computer skills, including Microsoft Office Suite
- Experience with customer service software a plus
- A genuine passion for providing exceptional customer service

Experience

- We welcome applications from both freshers and experienced individuals.
- For freshers, a strong academic background, excellent communication skills, and a willingness to learn are highly valued.
- For experienced individuals, a minimum of 1 year of experience in customer service or a related field is preferred.
