Description

Dabur Careers

As a Sales Analyst at Dabur, you will play a crucial role in supporting our sales team by analyzing data, identifying trends, and providing insights that drive strategic decision-making. You will be responsible for gathering and analyzing sales data from various sources, creating detailed reports and presentations, and collaborating with cross-functional teams to develop and implement effective sales strategies. This is an excellent opportunity for a data-driven individual who is eager to learn and contribute to the growth of a leading FMCG company.

Dabur Careers

Responsibilities:

- Collect, analyze, and interpret sales data from various sources, including CRM systems, market research reports, and competitor analysis.
- Identify sales trends, patterns, and opportunities for growth.
- Prepare comprehensive sales reports and presentations that provide insights and recommendations for the sales team.
- Collaborate with sales teams, marketing teams, and other stakeholders to develop and implement effective sales strategies.
- Monitor and track key performance indicators (KPIs) and measure the effectiveness of sales initiatives.
- Stay up-to-date on industry trends and competitor activity.
