Description

Infosys Recruitment 2024

In this exciting role, you'll be an integral part of our development team, working on challenging and impactful projects for a diverse range of clients. You'll have the opportunity to hone your skills across the entire development lifecycle, from building user-friendly interfaces to crafting robust back-end systems.

Infosys Careers

Responsibilities:

- Collaborate with designers, product managers, and other developers to understand requirements and translate them into clean, well-documented code.
- Develop and maintain both front-end and back-end components of web applications, utilizing your proficiency in various programming languages and frameworks.
- Participate in code reviews, unit testing, and integration testing to ensure code quality and application stability.
