### Description

## Infosys Recruitment 2023

Infosys is seeking a highly motivated and experienced AWS Solutions Architect to join our team. The ideal candidate will have a strong understanding of AWS principles and practices, as well as experience in designing, developing, and implementing AWS-based solutions. In this role, you will be responsible for developing and delivering AWS solutions to Infosys clients. You will also be responsible for working with clients to understand their needs and requirements, and for designing and developing AWS solutions that meet those needs.
