Capgemini Careers

Responsibilities:

- **Network Operations:**
 - Monitor and troubleshoot network performance, identifying and resolving issues promptly.
 - Configure and manage network devices, including routers, switches, firewalls, and load balancers.
 - Implement and maintain network security policies and procedures.
 - Assist with network projects, including deployments, upgrades, and migrations.
- **Documentation and Reporting:**
 - Maintain accurate and up-to-date network documentation.
 - Generate reports on network performance and activity.
 - Collaborate with other teams to ensure clear communication and knowledge transfer.
- **Continuous Learning:**
 - Stay up-to-date on the latest networking technologies and trends.

- Attend training and workshops to expand your skillset.
- Actively participate in knowledge sharing within the team.
