Description

Meesho Recruitment 2023

Meesho is looking for a highly motivated and experienced Project Manager to join our team. The ideal candidate will have a proven track record of successfully managing complex projects from start to finish. They will be responsible for working with cross-functional teams to define project scope, manage timelines, and ensure that projects are delivered on time and within budget. The Project Manager will also be responsible for identifying and mitigating risks, and communicating effectively with stakeholders throughout the project lifecycle.
