### Description

## Sun Pharma Recruitment 2024

We are seeking a highly motivated and detail-oriented Research Assistant to join our vibrant research team. In this role, you'll provide comprehensive support to our researchers across various stages of the drug development process. Your responsibilities will encompass a range of tasks, including literature searches, data collection and analysis, maintaining laboratory equipment and supplies, and assisting with the preparation and execution of experiments. You'll be a vital link in the research chain, ensuring the smooth functioning of projects and contributing to the success of our research initiatives.
