### Description

## TCS Recruitment 2024

Tata Consultancy Services (TCS), a global leader in IT services and consulting, is seeking a passionate and motivated Information Security Executive to join our dynamic team. In this role, you will play a critical role in safeguarding our company's valuable assets, data, and systems from evolving cyber threats.

### TCS Careers

#### Responsibilities:

- Design, implement, and maintain comprehensive information security programs aligned with industry standards and best practices.
- Conduct security audits, penetration testing, and vulnerability assessments to identify and mitigate security risks.
- Develop and implement incident response plans and procedures to effectively manage security breaches and minimize damage.
- Manage and maintain security logs, analyze security incidents, and report findings to stakeholders.
- Stay updated on the evolving cybersecurity landscape and emerging threats, informing security strategies and tactics.
- Collaborate with internal teams, including IT, HR, and legal, to integrate security considerations into business operations.

## TCS Jobs Near Me

### Skills:

- Proven experience in information security, preferably within the IT services or consulting industry.
- Strong understanding of security frameworks, standards, and best practices (e.g., NIST, ISO 27001, PCI DSS).
- Expertise in security tools and technologies, including vulnerability scanners, intrusion detection/prevention systems (IDS/IPS), and security information and event management (SIEM) tools.
- Excellent analytical and problem-solving skills.
- Strong communication and interpersonal skills, with the ability to collaborate effectively with diverse stakeholders.
- Proficiency in written and verbal communication to clearly articulate complex technical information to non-technical audiences.
