### Description

## TCS Recruitment 2024

Tata Consultancy Services (TCS), a leading global IT services company, is seeking a passionate and experienced Cloud Architect to join our team. As a Cloud Architect, you will play a key role in designing, developing, and implementing cloud solutions that align with our clients' business objectives. You will be responsible for assessing cloud readiness, developing cloud migration plans, designing cloud architectures, and overseeing cloud deployments.

## TCS Careers

### Responsibilities:

- Assess cloud readiness for clients, evaluating their current infrastructure, applications, and business needs
- Develop cloud migration plans, including timelines, resource allocation, and risk mitigation strategies
- Design and implement secure, scalable, and cost-effective cloud architectures using cloud platforms such as AWS, Azure, or GCP
- Oversee cloud deployments, ensuring smooth transitions to cloud environments
- Manage cloud costs and optimize cloud resource utilization
- Provide ongoing support and maintenance for cloud solutions
- Stay up-to-date on the latest cloud technologies and trends

### Hiring organization

Tata Consultancy Services

### Date posted

December 22, 2023

### Valid through

31.03.2024

APPLY NOW
