Description

Tech Mahindra Recruitment 2023

Tech Mahindra is seeking a highly motivated and experienced Human Resources professional to join our team. The ideal candidate will have a strong understanding of human resources principles and practices, as well as experience in recruiting, hiring, onboarding, training and development, performance management, and compensation and benefits. In this role, you will be responsible for supporting all aspects of the employee lifecycle, from recruitment to retirement. You will also be responsible for developing and implementing human resources policies and procedures, and ensuring that Tech Mahindra complies with all applicable employment laws and regulations.
