TCS Careers

Responsibilities:

- Assisting senior technical professionals with project tasks, including data analysis, report generation, and documentation preparation.
- Performing technical research and staying updated on the latest industry trends and technologies relevant to the assigned project.
- Conducting basic troubleshooting and problem-solving within the scope of your expertise, following established guidelines and escalation procedures.
- Contributing to team meetings and discussions, providing insights and technical knowledge as required.
- Maintaining accurate and organized project documentation, adhering to company standards and best practices.
- Learning new technologies and adapting to changing project requirements with a proactive and positive attitude.

TCS Jobs Near Me

Skills:

- Strong analytical and problem-solving skills.
- Excellent communication and collaboration skills, both written and verbal.
- Ability to learn quickly and adapt to new technologies and processes.
- Time management and organizational skills, with the ability to prioritize tasks effectively.
- Strong attention to detail and ability to work independently and as part of a team.
- Proficiency in relevant software applications (e.g., Microsoft Office Suite, project management tools).
